John

We will be posting this information to the docket. Inquiries can also be sent to us through the FOIA office. Please let me know if you need more information.

Thanks

Jeaneanne,

I've had some inquiries from interested stakeholders regarding EPA's receipt of any letters from sister federal agencies on Florida's assumption package and on the consultation leading to the BiOp. Not sure if any letters from other fed agencies are posted in the docket or available online in another fashion or if the stakeholders should reach out to region 4 directly, so let me know where you would like me to point them.

Thanks,

JJT
